

Durable Aluminum Valve Tags are available in natural aluminum or with a colored baked enamel finish allowing for easier identification of valves. These valve tags are manufactured to meet greater temperature extremes. Laser etching provides great flexibility in font size, style and number of characters.

Aluminum Valve Tag Examples

**1-1/2" Round
Two Lines of Text**

**2" Round
Three Lines of Text**

**Sizes Text
to Fit Option**

Tag Sizes	Top Line	Middle Line	Bottom Line
